Good morning Brian and Scott,

Per the rough timeframe for completion of the signal at Vine/Waring, we have reserved two upcoming dates/times on Councilmember O'Farrell's calendar for a possible installation ceremony:

Tuesday 11/24 – 2:00 PM**Thursday 12/3 – 1:30 PM**

Based on latest progress, do either of these fit with LADOT's timeline for completion of signal installation?

We of course want the ceremony to coincide with the completion of the project. As part of the ceremony, we plan to include community partners including LADOT, Hollywood Media District BID and the adjacent Larchmont Charter School.

Please advise, thanks!

Dear Dan:

Thanks for looping us in. Just let us know when the Installation Ceremony is firmed up. I would suggest that the Musician's Union is also included in this event as they are adjacent property owners to the north.

Let me know when you are closer to a scheduled date.

At this time, I can not commit to a date. As stated in a past e-mail, I have no control of scheduling with other departments, I can only make request. We can shoot for 12/03/15, but again, can not guarantee at this time. Hopefully I will have a better view of our status next week.

Thanks, Brian. Can you continue to keep us updated as the situation develops? We are hoping to avoid the Sunset/Las Palmas situation, when we were not notified of its completion until a day or two before it happened. Vine/Waring has been a top priority for a long time and we want to make sure we have a proper ceremony, with the adjacent school involved, and thank LADOT for its efforts. Please advise.

OK, yes of course. Just trying to stay on top of this. We want to inaugurate it properly, as opposed to Sunset/Las Pqlmas - this is a big community priority for the local school so we want to have a ceremony. Plus our office designated the funding from the mobility fund so it is a top priority for us as well. Thanks Bruce!

Dan,

The contractor that does the removals is coordinated via Manny Viramontes. He's gone for the day- let me call him tomorrow and I'll see what info I can gather as far as their schedule.
